The 76th Annual Pittsburgh Diffraction Conference
Case Western Reserve University

at the Iris S. and Bert L. Wolstein Research Building
October 14-16, 2018
Cleveland, Ohio

Please join us for talks, posters and vendor presentations

Biomacromolecular topics include:

* X-ray Crystallography
* Cryo-EM
* X-ray tomography
* Cryo-ET
* X-ray free electron laser

HOTEL: Rooms are available at the Cleveland Courtyard Marriott 2021 Cornell Road, Cleveland Ohio 44106. Reservations: 1 (216) 791-5678 and mention Pittsburgh Diffraction Conference for a discounted rate.

ABSTRACT: Please submit abstracts through email pxk258@case.edu Deadline: September 28th, 2018

REGISTRATION: www.pitdifsoc.org/conference.htm Regular $80/Student $25 Deadline: Oct 5th, 2018

KEYNOTE SPEAKERS:

Prof. Wah Chiu (Stanford University)
Cryo-EM, An Imaging Tool Beyond Crystallography

Prof. Lois Pollack (Cornell University)
Structural Enzymology at X-ray Free Electron Laser Sources: Detecting Angstrom-Scale Motions with Millisecond Time Resolution
